

COVID-SAFE UNIFORM LIST

As part of our COVID-Safe return to classes we have had to impose a number of uniform changes as a result of following the guidance set out by the government, please understand that these changes are necessary to ensure that we can return to classes safely.

It is important to note that the guidance set out by the government for academic schools and for the Out of School Settings (which we come under) are completely different. Despite the fact your child does not have to social distance at school, whilst at a dance classes students have to stay 2 meters apart (the only exception being Tiny Toes) and cannot have any physical contact with each other nor staff members. Please rest assured that we, as a dance school are following the guidance to the T and we are not prepared to take any shortcuts, the safety of the dancers, visitors and staff has and always will be paramount.

These amendments have been enforced to ensure the safety of all of the students, visitors and staff members at SGDA, so we urge you all to please cooperate with the new uniform rules. Please rest assured that many days/weeks have been spent on sourcing the best quality and value products for the dancers, we appreciate the costs involved this time of the year with children returning to school and so we have come up with a deal with the supplier which has enabled us to be able to sell the products at a reduced price for the next two weeks.

In line with guidance, we are not allowed to provide changing facilities for the dancers, they must come under-changed wearing their leotard (and tights dependant on age). At drop off they will be given a plastic box for their outdoor shoes and over clothes to be safely stored away in, their personal belongings must fit into the box, anything that does not fit must be taken away by their adult. If your child takes multiple classes and so needs different shoes they must be brought in a small drawstring bag.

- As we are no longer able to provide on-site changing facilities, dancers will not be able to change into different leotards for different classes. This mainly affects our Senior and Elite dancers, so all dancers will only have one leotard for all of their classes, except in the rare instance where a student attends a higher grade ballet class then their jazz/tap/contemporary class.

COVID-SAFE UNIFORM LIST

- Each age group will be defined by the colour of their leotard, this will help staff and parents to be able to easily distinguish between each age group/class bubble
 - Tots - Light Pink
 - Minis - Coral
 - Juniors - Marine
 - Intermediates - Teal
 - Seniors - Burgundy
 - Elite - Black
- Unfortunately, we are no longer able to assist your child with their shoes, as we have to adhere to the social distancing guidelines. So as to keep lace and drawstring re-tying to a minimum our Tots, Minis, Juniors and Intermediates will be required to wear slip on tap/jazz shoes, as a result there has been a change to their footwear.
- As we cannot assist your child with getting changed into their black tights the Juniors leotard has changed to a skirted leotard, this means that they will only have to slip on their tap/jazz shoes which aids a quick change over and ensures that we will not have to break the social distancing guidelines to help the students get changed.
- To reduce the risk of COVID students are no longer able to dance bare footed, nor can they wear contemporary foot thongs. They will be required to wear either Bloch Socks or the Capezio Life Knit socks instead.
- Students will not be doing any character dancing for the Autumn Term and so character uniform will not be required to be brought to class.
- We would ask that students are in the new uniform ASAP, but for definite if your child can have the correct footwear for the start of term this would be fantastic, as the slip on non-lace shoes form part of our covid safe return plan.

PLEASE ORDER ALL UNIFORM ITEMS FROM THE SGDA SHOP, THIS IS TO ENSURE THAT YOUR CHILD HAS THE CORRECT ITEMS THAT THEY REQUIRE FOR CLASS & NOT A 'SIMILAR' EQUIVALENT. *The next order will be placed with the supplier on Monday 28th September 2020.*
